<p>INTRODUCTORY LANGUAGE</p>	
<p>The SA Climate Ready Climate Action and Adaptation Plan (CAAP) is San Antonio’s a roadmap to reduce carbon emissions, adapt to a changing climate, and ensure San Antonio remains a healthy, vibrant place for generations to come.</p>	
<p>The Technical and Community Advisory Committee will advise City staff and City Council on the implementation of the CAAP, and other associated long-term sustainability plans, such as the SA Tomorrow Sustainability Plan, while serving as a forum for the community to offer input on climate action and sustainability.</p>	
<p>As the CAAP is centered in equity and diversity, membership in advisory committees shall represent those that live and work within the City of San Antonio, inclusive of indigenous persons, communities of color, low-income residents, LGBTQIA+ persons, persons of varying ages, persons with different abilities, and other marginalized communities who hold diverse expertise, identities, and/or perspectives.</p>	
<p>The City of San Antonio, through the Office of Equity, has made a commitment to advancing diversity, equity and inclusion in local government in all of its Departments. Equity means that our policy-making, service delivery, and distribution of resources account for the different histories, challenges, and needs of the people we serve. The Office of Equity is a citywide office focused on advancing social equity within City Government, to help reduce and ultimately eliminate disparities experienced by our most marginalized San Antonio residents, and the Office of Sustainability will continue to collaborate with them on the CAAP.</p>
